Department of Computer Science and Engineering
Daffodil Institute of IT(DIIT)

✎ **Course Code:**   CSE 53020

✎ **Course Title:**   Peripheral and Interfacing

✎ **Section: All**

✎ **Instructor's Information:**

- **Name: Md. Imtiaz Ahmed**
- **Designation: Lecturer, CSE**
- **Office Location: 5^h Floor, Lazz Pharma Building**
- **Cell phone No.: 01717430880**
- **Class Code of the Course on Google Classroom: yzvfmp2**
- **Email Address: imtiaz_nu@diit.info**
- **Google Site link: https://sites.google.com/diit.info/imtiaznu/home**

✎ **Sample Quiz Questions:**

➢ 8255A is general purpose _____?

➢ Port A = Port B

➢ Lower Port C and Port B used in the group-

➢ In which mode Port A and B uses 3 lines from the Port C?

➢ Which I/O ports below contains 16 bits?

➢ Which switches uses spring?

➢ Membrane key switches are interfaced with—

➢ A relay interface can source-

➢ What is the minimum current needed for driver circuit in a stepper motor?
